

# Hire Registration Experts

Work with an experienced registration team that knows how to get attendees through the door and straight to you. ACCENT New Orleans registered more than 100,000 attendees in their 29 years of service.

## Safety

We strive for a hands-free environment and offer service shields, face masks, and more to protect your attendees.

## No-Hassle

Our staff creates a stress-free process that solves problems before they arise. Our signage and direction markers offer your attendees peace at every turn.

## Streamlined

Avoid lines and wandering attendees by working with a company that has experience to create the most efficient process.

## Professional

We provide you with a team of fully uniformed, dedicated, and experienced specialists to offer the best, most hospitable, service in these extraordinary times.

## Social Distancing Floor Graphics

We protect the health of your attendees by guaranteeing a 6 feet distance with color coordination to help directional flow.

**Alleviating the stress of registration so you can focus on the things that matter.**
